SUMMARY

Frontend Developer with a **Bachelor's Degree in Computer Science**. Experienced in building responsive, scalable web applications using React.js, Next.js, TypeScript, and modern UI libraries. Adept at leveraging advanced AI tools to optimize development workflows and passionate about delivering high-performance, clean code, and seamless user experiences.

SKILLS

- **Frontend & UI:** React.js, Next.js, JavaScript (ES6+), TypeScript, HTML5, CSS3, Tailwind CSS, Material UI (MUI), Bootstrap, Responsive Design, shadcn/ui
- **State Management & APIs:** Redux Toolkit, Zustand, Context API, RESTful APIs, API Integration, Axios
- **Backend & Services:** Firebase
- **CMS & E-commerce Platforms:** WordPress, WooCommerce
- **AI & Productivity Tools:** AI-Assisted Development (Claude 4.6, Antigravity, etc.), Prompt Engineering, Workflow Automation, Code Quality Optimization.
- **Tools & Deployment:** Git, GitHub, Figma, Vercel, Netlify, npm, VS Code
- **Performance & Development Practices:** Cross-Browser Compatibility, Debugging, Component-Based Architecture, Clean Code, SEO Basics
- **Soft Skills:** Problem-solving, Creativity, Adaptability, Team Collaboration, Communication Skills, Time Management

EXPERIENCE

Z-Impact Software Engineer (Front-End Developer)	Apr 2026 – Present
• Spearhead the front-end development of complex, highly interactive web applications with a focus on performance and scalability. • Architect and implement reusable UI components, dynamic data-driven dashboards, and complex state flows using React.js. • Collaborate with cross-functional teams to integrate RESTful APIs and optimize UI/UX, leveraging AI agents to accelerate development and ensure code quality.	
Web Masters Web Development internship	Apr 2025 – Jun 2025
• Assist in designing and developing user-friendly web interfaces using HTML, CSS, JavaScript, and React. Collaborate with designers and back-end developers to implement responsive, visually appealing features.	
Web Monster Wordpress Developer	Oct 2024 – Jan 2025
• Developed and customized WordPress websites using themes, plugins, and WooCommerce. • Built responsive and user-friendly e-commerce pages tailored to client requirements.	
Cova Mart Accountant & Operations Support (Remote)	Jul 2024 – Present
• Manage operational workflows, including accurate data entry, invoice recording, and payroll processing. • Provide technical support, troubleshoot system issues, and assist in preparing financial reports to ensure smooth daily operations.	

PROJECTS

Z-Impact Corporate Website for preview
• Developed a responsive corporate website using React.js and Vite. • Built reusable UI components with Tailwind CSS and implemented multilingual RTL/LTR support. • Integrated Firebase and EmailJS for backend services and contact forms. • Added smooth animations and optimized performance for better user experience. • Tech: React.js, Vite, Tailwind CSS, Firebase, Framer Motion, i18next

MedTrack - Medication Management Platform | [for preview](#) – [for code](#)

A responsive web app designed to streamline medication tracking, appointment scheduling, and pharmacy searches with real-time price comparison. Includes role-based authentication (JWT), real-time dose reminders via WebSocket, and a modern, accessible UI built with Remix and TailwindCSS.

- **Tech:** Remix, React, TailwindCSS, Axios, Socket.IO

Library Management System | [for preview](#) – [for code](#)

React-based web app for managing books, users, and lending with per-user limits. Features CRUD operations, dynamic debt tracking, and navigation via React Router. Built with Tailwind CSS and JSON Server for mock API interactions.

- **Tech:** React, Tailwind CSS, React Router, JSON Server

EDUCATION

Bachelor's Degree in Computer Science and Information Systems

Higher Institute for Computer Science and Information Systems, Culture and Science City,

2021 - 2025

6 October , Giza

Frontend Development Diploma

Amit Academy

Jun 2024 – Nov 2024

Maadi , Egypt
